

Saturday April 26th: UVA Hike into Dry Creek Basin

Join UVA in exploring this “land with wilderness characteristics” and learn how to comment in the upcoming Resource Management Plan to protect this area from encroaching motorized use.

Sky Baldwin will be leading a 3 hour hike into the area. The hike will be of moderate difficulty--boots and poles would be handy. Group size is limited to 12 people.

Meet at 9 am in the parking lot at the turn-off for Rim Road from Shavano Valley Road to car pool to the trail head which is several more miles up a rutted dirt road. (Call Sky for details)

Call Sky Baldwin at [\(970\) 361-1870](tel:9703611870) to reserve a spot for Saturday April 26th. We will regroup at the same time and place the following Sunday (April 27th) in case of bad weather on Saturday.

Please bring layers, good hiking boots, sunscreen, water and pack a lunch! We will be stopping along the trail to eat lunch and write our comments to be submitted to the BLM.
